**CUSTOM HOME - 2501-4000 SQ. FT.
TELICH RESIDENCE, BATON ROUGE**

Builder: Mike Telich III, Telich Custom Homes

Architect: Chuck Oliver, C. M. Oliver Designs

Design/Decorating: Anne McCanless, Anne McCanless Interiors

Landscape Architect: Richard Hymel, Ferris Land Design

This light-filled home includes highly customized interior trim including sunken-panel cased openings, three-piece door casings and circular coffered ceilings. Other features include Southern red oak floors laid in a herringbone pattern, painted wood floors upstairs, grass cloth wall paper in massive 22' tall foyer, pre-Civil War antique doors supplied by Ricca's Architectural Salvage of New Orleans, antique hardware, shower walls surfaced in 24" x 48" slab marble and two separate courtyards including one fully landscaped with sugar kettle fish ponds.
