CUSTOM BEDDING MASTER BEDROOM - LARGE Lisa Gilley / LD Linens & Decorating

With a foundation of rich wood flooring and contrasting floor-to-ceiling paneling, this bedroom imparts drama with creamy layers of white and taupe textiles. Largely monochromatic with its floor-to-ceiling linen drapes with pinch-pleat detail, the space features a variety of textures in the custom headboard and cowhide rug. The billowy bed is well dressed with an all-in-one bedspread with matching boxed shams, Fabulous Für blonde mink euro shams and a matching throw, and a custom linen throw pillow with Greek key detail.
